

Detail Product of PT Listrikum

Solarix MPPT Solar Controller

Spesification

SPESIFICATION System Voltage : 12V (24v) Rated output : 250 W (500W) Max.
efficiency : >98% Own consumption : 10 mA MPP Voltage : 15 V (30V) < U module <<
100V Module current : 18A Charging Current : 20 A Load current : 10 A
